| Job Specifics | |
| Job Description: | |
| <p>The successful candidate will be an active part of All Safe and Sound and support the company's core business of delivering high end events to a wide range of venues, clients, and agencies across a variety of sectors.</p> <p>In your role as Event Technician, you will need to be a multiskilled technician in all aspects of event production including AV, Lighting, Sound. The role will be a combination of setting up, operating and overseeing events with our equipment stock, along with days working in partner venues using venue equipment.</p> <p>You will predominantly support events in London and around our Enfield office, although travel across the UK and overseas may also be needed at time as well. Due to the nature of the live events industry you will need to be flexible with hours and be comfortable working early mornings, late nights and long days as needed.</p> <p>When not on-site, you will be required to work from our Enfield office and assist with the preparation and maintenance of equipment.</p> <p>The role will also involve undertaking other tasks as required by the company in the undertaking of its business duties.</p> | |
| Essential Knowledge and Skills Required | |
| <ul style="list-style-type: none"> • A broad knowledge and experience across all areas of technical production including lighting, sound, camera, AV, and streaming. • Good working knowledge of Office 365, especially PowerPoint, and video playback software • Be confident, presentable, and personable dealing with clients face to face as well as having excellent phone and email communication skills. • Comfortable working at height • Understanding of basic event health and safety • Have a valid passport and be happy working away if required. • Have a clean, UK driving license. | |

Desirable Knowledge and Skills

- Experience and knowledge working with scenic elements
- Knowledge of Teams, Zoom, vMix, RTMP and Streaming Platforms
- Specialist expertise in particular technical discipline
- IPAF / H&S / First Aid Qualification(s)
